LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about August 24, 2007, by MCF Communications bg, Inc ("MCF") and Cellco Partnership d/b/a Verizon Wireless ("Cellco") (collectively the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in the Town of Sterling, Connecticut. The installation would consist of a 200' x 200' leased area within a 10.83 acre parcel off Exeter Road. At this site, MCF proposes to construct a 140-foot monopole tower. Access to the site will extend from Exeter Drive over a new gravel driveway approximately 70 feet to the cell site. Cellco will install its antennas at the 137-foot level on the tower and will also install a new 12' x 30' shelter located near the base of the tower to house its radio equipment and an emergency back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day selected for the Siting Council public hearing on this proposal, MCF will fly a balloon at the height of the proposed tower described above, between the hours of 8:00 a.m. and 5:00 p.m. Interested parties and residents of the Town of Sterling are invited to review the Application during normal business hours at any of the following offices:
